

Large Supply Carts For Healthcare

PROUDLY

Mobile storage that will streamline your operations

FHC mobile storage carts enhance healthcare facilities by saving time with efficient organization, optimizing storage space, and ensuring quick access to essential medical supplies, all contributing to improved patient care and streamlined operations.

- Carts are available in several heights and widths to fit your storage needs.
- Cart design optimizes space utilization and provides increased capacity and security.
- Easy cart and bin configuration today and tomorrow.
- Complete visibility to the interior of the cart ensures staff can access supplies easily and swiftly.
- The ISO 60-40 modular bin system simplifies the storage of supplies.
- Powder-coated steel construction allows for easy cleaning and sanitizing.

FUTURE-PROOF VERSATILITY

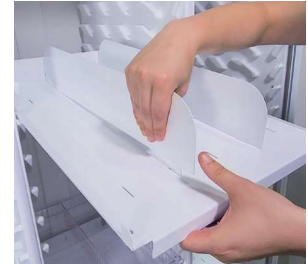

Laminate Locking Drawer

Catheter Storage

Bins

Shelves and Dividers

Bins can be pulled outward and rested into grooves for convenient loading and use.

Bins can be removed from carts and used as "totes".

Every FHC cart can be configured to adapt to the distinct requirements of any department. When adjustments are necessary, the accessories can be changed to ensure a smooth transition.

Improve organization Optimize storage capacity

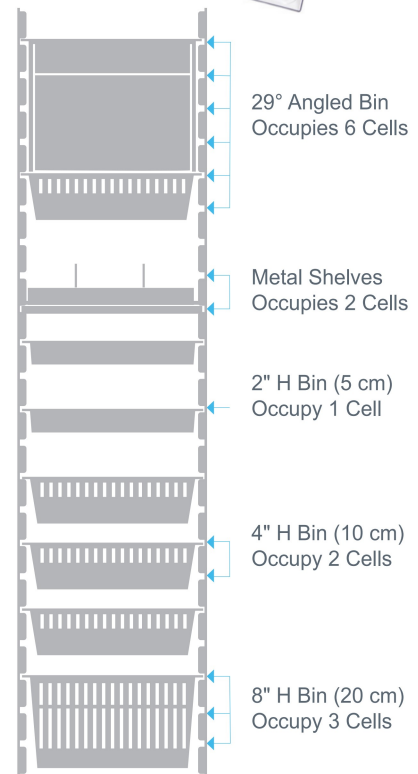

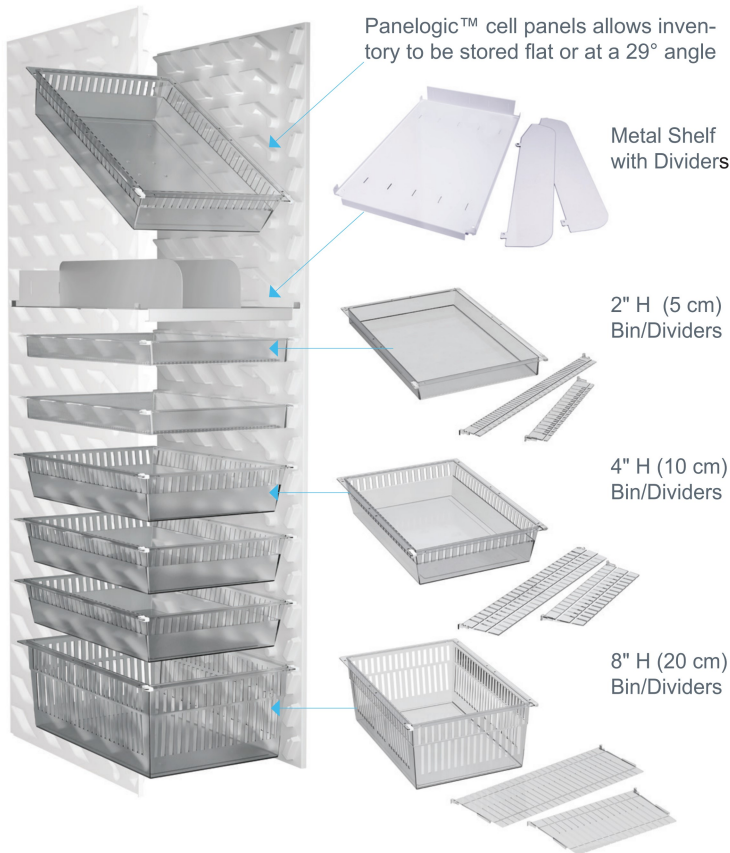

ISO 60-40 PANELOGIC™ INTERIOR CELL PANEL SYSTEM

Catheter Rack

or Shelf Mounted

Locking Drawer
Occupies 3 Cells

Hygienic

- Cart has smooth and easy-to-clean surfaces
- Bins are machine-washable
- Bins and dividers are injection molded polycarbonate plastic and can be easily and safely cleaned

Durable

- Bins hold up to 88 lbs (40 kg)

Space-saving

- Optimum storage utilization for supplies of various sizes
- Stacking rim enables bins to be stacked, saving space when not in use

Safe

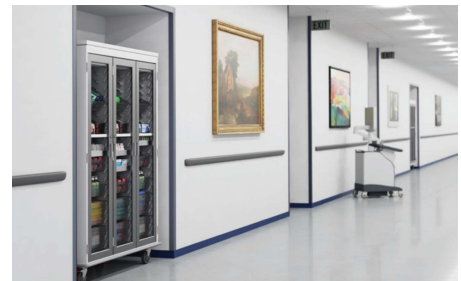

- The safety-stop function prevents bins from accidentally falling out when pulled

Always on the go Always a perfect fit

1. Choose your cart size

FHC carts are available in a range of sizes that can be tailored to any application.

2. Choose your door style

Our tempered glass doors allow easy visibility to cart contents, keeping supplies safely stored with quick access when needed. Tambour doors roll out of sight, making them a great choice for tight spaces. They provide full access to supplies during use and hidden storage when locked.

3. Accessorize it

Each model offers 1, 2 or 3 columns that can be configured according to the Panellogic™ cell capacity. Use our [Cart Configurator](#) to help determine the number of shelves, bins, drawers needed.

The perfect size for any use

FHC offers a full line of durable, high quality, American-made steel storage carts in multiple sizes to provide easy configuration, security and infection control. All are available with tambour or glass doors.
