

SINGLE WIDTH MOBILE SUPPLY CARTS FOR HEALTHCARE

MOBILE STORAGE DESIGNED FOR EASIER RESTOCKING, INVENTORYING, AND CLEANING

FHC mobile supply carts enhance healthcare facilities by saving time with efficient organization, optimizing storage space, and ensuring quick access to essential supplies, all contributing to improved patient care and streamlined operations.

Hygienic

- Cart has smooth and easy-to-clean surfaces
- Bins are machine-washable
- Bins and dividers are injection molded from polycarbonate plastic and therefore can be easily and safely cleaned

Sturdy

- Bins hold up to 77lbs (35 kg)

Space-saving

- Optimum storage utilization for supplies of various sizes
- Stacking rim enables bins to be stacked, saving space when not in use

Worry-Free

- The safety-stop function prevents bins from accidentally falling out when pulled

ISO 60-40 Panelogic™
interior cell panel system

Bins

- Available in 2", 4" and 8" (5, 10 and 20 cm) heights
- Can be optionally angled at 29°
- Weight capacity 77lbs (35 kg)
- Dividers can be added as needed
- Nests into locking position when extended

Metal Shelves

- Powder-coated finish in white
- Front-to-back dividers are repositionable
- Rear lip keeps contents in place
- Nests into locking position when extended

Locking Drawer

- Mounts to bottom of shelf
- Laminate construction
- Full extension ball-bearing steel slides
- Inset plastic pull
- Lock can be keyed-alike to main cart

Hanging Catheter Rack

- Full extension ball-bearing steel slides
- Available in two lengths
- Front ID face plate
- Mounting: inside top of cabinet or bottom of shelf

SINGLE WIDTH MOBILE SUPPLY CARTS FOR HEALTHCARE

Cart Base

- Durable powder-coated steel
- 2 locking and 2 non-locking medical grade swivel casters with 5" (12.7cm) polyurethane wheels
- Protective bumper guard
- Casters raise cart base 6.4" (16.3cm) above floors and thresholds

Main Body

- Powder coated steel outer case
- Highly versatile Panelogic™ cell panels allows inventory to be stored flat or at a 29° angle
- Powder coated steel cart handles offset for space saving

Doors

- Tambour doors: vertical opening balanced spring roller shutter with interlocking slats and built-in full width pull
- Glass Doors: powder coated aluminum with 1/8" tempered glass, 4" (10.2 cm) satin chrome bar pulls
- Keyed with an electronic locking option

Cleaning

Metal surfaces: Wipe surfaces with soap and water or hospital-grade cleaner.

Plastic bins and interior surfaces: Bins are machine washable. All plastic surfaces can be cleaned using a soft cloth soaked in detergent and warm water, rinsed and wiped dry. Avoid using solvents, rubbing alcohol and abrasive cleaners on plastic surfaces as it will dull the finish.
